Re Grant of site to Thigalar community in Jail extension, Tumkur
====

Adverting to Government order No L 4442/43/R1 92-41-4 - dated 26-11-1941, I have the honour to forward herewith, in original, the letter received from the President, Town Municipal Council Tumkur on the above subject and to state as follows -

The President states that from the preamble to the Government order it looks as though the site was granted for the - - installation (within the site) of their idol which is now under a peepal tree on one side of the main road in the Jail Extension hen the people of the community were asked to shift their idol into the compound of the site granted to them, it seems that they represented that the said site was granted to them not for the shifting of the idol, but for the use of the worshipers and that they prayed for grant of permission to construct a pial all round the idol The matter was placed before the Municipal council at their meeting held on 30-5-1942 and it was resolved that sanction of Government might be obtained to the previous resolution of the Council dated 14-5-1941 wherein the stipulation to shift the idol does not seem to have been considered The president, Municipal Council Tumkur in his letter No T C 28/41-42 dated 5/11th August 1941 (Previously sent) has opined that the idol may be let alone to stand, as it is ~~only a pial or~~ in front of the site now given to the Thigalars and that a pial may be built round the idol at their cost

A copy of the original resolution dated 14-5-1941 referred to above is also enclosed for the information of Government

I have the honour to be,
Sir,
Your most obedient servant,

P Srinivasa Setty
Deputy Commissioner,
Tumkur District.

Subject:- Grant of site to Thigalar Community in the Jail Extension, Tumkur

---

With reference to your letter No L 14050 dated 1-6-1949 on the above subject, enquiring why the U O file was retained in this office for a period of 6½ years etc , I have the honour to state that the successive Muzrai Commissioners since the time of Rajasevaprasaktha Sri B T Keshava Iyengar, had reserved this case for spot inspection Presumably on account of the pressure of work and unavoidable change of programme, they were not able to inspect the spot However Rajakaryaprasaktha Sri M Seshadri appears to have inspected the spot on 8-3-1944 in company with the then Deputy Commissioner, Tumkur District and to have left certain instructions with the Deputy Commissioner to submit a report But no report was received from the Deputy Commissioner until December 1948 The Deputy Commissioner, Tumkur District in his letter No A/ C 524/42-43 dated 10-12-1948 (copy enclosed) expressed his inability to find out exactly on what points he had to submit his report, at that distance of time Consequently the spot had to be again inspected by me I inspected it on 23-1-1949 and sent the final reply to Government

Yours faithfully,

With reference to your letter No M5-920/43-44 dated 8-111948 on the above subject, I write to state that from the available records, it is not clear on what point a further report was asked to be sent at the time of spot inspection on 8-3-44 and whether any oral instructions were given to the then Deputy Commissioner at the time I, therefore, request you kindly to intimate the point or points on which a further report has to be sent The connected records forwarded with this office letter of even number dated 22-2-43 may also kindly be returned for reference and resubmission as they have not been returned to this office so far
